Macon County Soccer Club is sponsoring a Men's High School division for this spring. We hope to have teams competing from Highlands, Hayesville, Rabun Gap and Smoky Mountain as well as teams from the Asheville area. We will have home games and away games so some travel will be required. Games will be played mostly Saturday afternoons. Roster size is limited due to High school rules for coaches. Registration money covers uniform, state registration and referee fees. Coaches Ken Neitz and Guy Gooder will coach the Franklin team. If enough players are interested, we can have two teams.
